VI REPORTS

(The reports printed here are condensed to contain the essentials as amended by conference action. For additional text see your "Pre-Conference Reports" notebook.)

AREA-WIDE PROGRAM AS PROPOSED BY THE AREA COUNCIL

The following program, submitted to each Conference in the Portland Area, originated from the grass roots. Bishop Grant called together representative laymen and ministers from every district in the area to discuss our needs and suggest program. Afterward the Area Council consolidated these suggestions into the program proposed here.

A. Churchmanship:**1. Area Round Table—August 26 and 27**

A round table training conference to train leaders in churchmanship centering around the work of the four local church commissions. Each district of the area to send representatives to be trained in the work of his respective commissions.

2. Subdistrict Round Table—September 11-17

Round table with pastors and chairmen of local church commissions. These round tables to be under the leadership of the district representatives who attended the Area Round Table. Each local church to be represented by its commission chairmen.

3. Local Church Commission Dinners—September 18-October 22

The chairmen of each local church commission will sponsor a dinner meeting on consecutive weeks with the entire membership invited for the purpose of training and stimulating a deeper interest and greater activity in the work of each commission.

4. Evangelism

For the year 1955-56 Evangelism will receive a special emphasis. The Conference Board of Evangelism is requested to promote regular monthly visitation evangelism in every church of the Conference.

On succeeding years other commissions will receive special emphasis.

B. Church Extension: The following program of the Church Extension was recommended:**1. That the Executive Committees of the three Conference Boards of Missions be an Area Committee for developing a program of Church Extension for the entire Area. This program to consist (1) of a revolving loan fund. (2) A fund for grants to churches with building projects. It is recommended that these funds be raised through the regular framework of our benevolent giving rather than having another great quadrennial drive for funds.****2. A salary subsidy program was recommended on an area-wide basis, the details to be worked out by the Conference Boards of Lay Activities with the suggestion that membership in the Second Mile Club be promoted on Laymen's Sunday.****C. Contemporary Concerns:****1. Temperance.**

Area-wide School of Alcoholic Studies set up by the chairmen of the Temperance Committees of the three Conferences.

2. Social and Economic Relations.

The chairmen of the Boards of Social and Economic Relations of the three Conferences in cooperation with the chairmen of the Boards of Lay Activities will arrange a series of seminars under the leadership of Dr. Dudley Ward.

3. Public Relation Seminars under the leadership of Dr. Ralph Stoody.**D. Education.** The following emphases are recommended to the Board of Education:**1. Family Life.****2. Youth.****3. Schools and Colleges.****4. Recruitment and Christian Vocations.**

To take away from any segment of the community the rights guaranteed by the Constitution endangers the liberty of all.

We commend those who have upheld the rights of citizens of our state to good housing of their own choosing without regard to race or creed.

We commend those who oppose the proposed practice of "wiretapping." We note with satisfaction the stand of our Oregon legislature in opposition to the practice.

Due to Congressional investigations the Fifth Amendment has been a special target of abuse. This Amendment, is, in reality, a protective device of Justice, since it makes it necessary for the State to secure adequate and competent testimony so that Justice may not be made a mockery by persons wishing to gain notoriety.

We are proud that our courts have upheld the Sixth Amendment in matters of criminal law by insisting that, where charges are made against individuals for thoughts and ideas held, such charges must be specific.

We commend the following: (1) the press for investigating conditions and publishing information on issues of civil rights in Oregon. (2) all individuals and organizations for help in solving such issues as they arise.

It needs to be said that as Americans, we must guard against all unjust discrimination, such as that against racial groups in private clubs, in churches, fraternal groups, or for economic opportunities.

We urge the use of the civil liberties 16mm sound film, "The Sound of a Stone," recently issued by the Board of Social and Economic Relations and available through the Methodist Publishing House. Another film is "Freedom to Learn" available free from the The Oregon Education Association, Portland, Oregon.

BOARD OF CONFERENCE CLAIMANTS

1. In accordance with paragraph 1635 of the Discipline, and by action of the 1954 Annual Conference, the current distribution account for 1954-55 was deposited with the Board of Pensions, Illinois Corporation, and paid by them on a quarterly basis to our claimants.

2. We recommend that our account be continued with the Board of Pensions, and that as of July 1, 1955, the Conference request payment to claimants on a monthly basis. ($\frac{2}{3}$ vote required, para. 1625.3)

3. Looking toward a permanent funding of our Reserve Pension Fund, and in conformity with action of the 1952 Conference, be it resolved that \$10,000 be apportioned to the charges in addition to the apportionment for current distribution.

CIVIL RIGHTS REPORT

This committee is concerned with conflicts of conscience. We insist that our first allegiance is to God. We must apply the Gospel of Christ in our world and seek to redeem the world through Him who is "the Way," "the Truth," and "the Life."

We oppose Universal Military Training as a violation of the Civil Rights of citizens.

COMPOSITE REPORT OF THE OREGON CONFERENCE DISTRICT SUPERINTENDENTS

Bishop Grant, Members and Friends of the Oregon Conference:

The Oregon Conference is making definite advances. We have more Conference members than we have had in our history, our church is growing, our giving is increasing, and we believe we are growing in effectiveness in Kingdom Building. Also that the morale of both the churches and ministers is higher and the spiritual foundations are rooted deeper.

Much of our progress is due to the aggressive and effective leadership of our Bishop, A. Raymond Grant. He has been tireless in his efforts, has proven himself to be a wise counsellor, a leader of spiritual depth, a preacher and administrator with exceptional ability and insight, coupled with the ability to get things done. Of course we must hasten to say that much of his success is doubtless due to the influence of Mrs. Grant whom we have come to know as a charming, lovable and modest first lady of the Portland Area.

NEW CHURCHES

With the help of the Forward Movement and other missionary aid we have new congregations in Parkrose Heights, Portland; Four Corners, Salem; Wesley Church, Eugene; and in Tygh Valley on the Portland District. Churches to begin work this year are at Cave Junction, on the Eugene District, and in the Cherry Blossom Park community of Portland, and Vermont Hills of the Forest Grove District.

All of these churches are making splendid progress and helping to bring the more abundant life to many who otherwise would not have been reached and won to Christ. Even from a financial point of view we have had a good investment for already these new churches are beginning to give generously to our benevolent causes.

There is an immediate and crying need for at least 20 additional new churches. We have the organizational set up to build them, but we lack the funds. Let us move ahead and complete our Forward Movement and launch immediately into a new Church Extension program. A great spiritual harvest is at our very doorstep but only a small portion of Oregon Methodism is alert to the tremendous need and opportunity.

EVANGELISM

Fifteen years ago the Oregon Conference had 36,342 members. Today we have 47,718 or a 24% increase in 15 years. During the same period the population of the state has increased about 50%. Had we maintained only the same percentage of increase as the population we would now have about 14,000 additional members.

Our program of evangelism is still in a state of transition. Some of our churches are making remarkable gains, but as long as more than 75% of the population of Oregon belong to no church, either Protestant, Jewish or Catholic, we still have a great task of evangelism before us.

We have been inclined to work only for the good prospects. We must never lose faith in the power of God to transform the lives of men, women and children.

We have grown so accustomed to mediocre results in evangelism and in our missionary work that we fall far short of that which we could achieve if we only allowed our lives to be open channels thru which God could work and speak.

CONFERENCE MEMBERSHIP

The ministerial membership of the Oregon Conference is increasing steadily. We now have about 140 effective members. This growing number of ministerial members is due not only to the new churches we have established, but to two other factors. First, we have several ministers serving as assistant pastors whereas in the past we have had very few. Also, today we have fewer supply pastors. In 1940 36% of our churches had supply pastors, today we have cut that to 28%.

SALARY SUBSIDIES

The increasing number of Conference members serving our churches is partly due to our system of salary subsidies. By this means many weak churches have

REPORT OF THE OREGON COUNCIL OF CHURCHES

As Methodists we are committed to the ecumenical movement. By General Conference action every Methodist Church must financially support both the World Council and the National Council of Churches. It is only logical that we follow through on this principle and commit every Methodist Church to the direct support of the Oregon Council of Churches which is the direct creation of the cooperating denominations in Oregon.

(Ed. Note: See World Service and Finance report for financial item for the Council of Churches).

existence to the consecrated and faithful work of the Woman's Society of Christian Service. Their work is well organized, their leadership is effective and their program is moving forward in the Oregon Conference under the efficient leadership of Mrs. L. D. Wrentmore and her co-workers.

BUILDINGS AND IMPROVEMENTS

New churches have been built at Four Corners, Salem; Montavilla, Portland; and North Bend. Work is started on the new Wesley Church, Eugene; and Dillard. Ground has been broken for a new church in South Salem. Tigard will break ground in July for a new church. At Coos Bay ground will be broken for a new church about August 1. Also First Church, Portland, will break ground for the beginning of its new million dollar plant during the summer.

New parsonages have been built or bought at Wesley Church, Eugene; Coquille, Sherwood-Ebenezer, and Newberg. Work has been started on a new parsonage at Echo. Silverton has nearly completed its new educational unit a year ahead of schedule.

Substantial building improvements have either been completed, are under construction, or are soon to be started at the following churches:

Gardner, Myrtle Creek, Creswell, Days Creek, Yoncalla, Medford, Seaside, Astoria, Bay City, Cornelius, Bethany, Marquam, Pleasant Home, Rainier, Boring, Tualatin-Nehalem, Milton, Pendleton, Heppner, Molalla, Willamette, Hermiston, Fossil, Hood River, The Dalles, St. Johns, Hughes Memorial, Rockwood, Errol Heights, Woodstock, Clinton Kelly, Parkrose Heights, Jefferson, Monroe, Grand Ronde, Dallas, Buena Vista, Albany, Harrisburg, and Shedd.

OPPORTUNITY AHEAD

There never was a better time to be an active layman or minister of the Oregon Conference. The fields literally are white unto the harvest and the laborers are increasing both in quality, numbers and spiritual depth. Our vision of a great future for the Oregon Conference is growing clearer and brighter. Our Conference Staff is growing in effectiveness, and in the correlation and promotion of its program. Both laymen and ministers are becoming aroused and ready to act more aggressively in meeting the needs for more and better church buildings. The consecration and ability of Oregon Conference pastors has never been higher. The men and women of Oregon Methodism are becoming awakened to the needs, organized for the tasks ahead and are ready to meet the challenge. Our Methodist youth have never been better, they are marching forward to build a better world thru Christ.

Our greatest problems are our weaknesses from within our ranks. The first weakness we would mention is inadequate training in churchmanship. Our Bishop, thru the Portland Area Council, has proposed a great program of inspirational education for growth in consecrated, aggressive and trained churchmen.

Second, we have grown satisfied and complacent with mediocre results. We have under-rated the potential power of Methodism in transforming lives and changing the world. We must drop from our terminology "it can't be done" and join hands with God and move forward with a quickened pace toward achievement.

The third weakness we face is related to the second. We have only begun to tap available spiritual powers. We have clogged the power lines from above by compromise with moral, social, economic, and international relations. We will never build a Christian society by saying the Sermon on the Mount is a great ideal to work toward, but that for now we must be realistic and make compromises with the Christian ideal.

Our fourth weakness which we need to correct is that too often we have made the church an elective. Many things are put ahead of the church and in too many cases the church gets our left-over time and our left-over money.

Once we strengthen our church within we will be better prepared to face the world without and to receive blessings such as we are not prepared to receive and to achieve victories over the forces of evil beyond our highest hopes.

Respectfully submitted,
Your District Superintendents
Edward Terry, George Roseberry
Milton Marcy, Meredith Groves.

had a little help in getting a full time pastor where they formerly had a part time supply, or in other cases they have been able to get a seminary trained man before they were able to pay the necessary salary. There are several Oregon Conference Churches which today are thriving which probably would have died had we not developed a system of subsidizing salaries. Several different funds have helped to carry on this subsidy program. Namely: the minimum salary fund, the Second Mile Club, District missionary societies, the World Service and Conference Benevolences thru our National Board of Missions and our Conference board.

PASTORS' SALARIES

Pastors of the Oregon Conference, during the year just closing, received \$35,000 more than during the preceding year. Increases have been voted for this new year of more than \$30,000. While the average pastor is still working at a salary below the earnings of a manual laborer, most of our pastors today are better paid in terms of purchasing power than they were 15 years ago.

MISSIONS

One year ago it was with considerable hesitation that we voted the largest increase in the history of the Oregon Conference for World Service and Conference Benevolences. We have closed the year successfully as our Treasurer's report has shown. Oregon Methodism is a little ahead of the national average in giving to World Service, but Methodism cannot be proud of its record as long as we rate approximately 47th in our per capita giving among the major denominations as reported by the Stewardship Council.

One of the outstanding lessons of the year just closed is that Oregon Methodists are willing to give larger amounts to Missions if they are really challenged to do so. When we know the needs and how our money is used we have demonstrated that we are willing to give.

STEWARDSHIP

The Stewardship of Possessions program of our church has only begun. Our per capita giving as a denomination is nearer to a tithe of a tithe, than a tithe. In the Oregon Conference this year the grand total of all giving was \$2,508,727. This represents a per capita giving of a little more than \$55 per member of the Oregon Conference churches. A tithe of Oregon Methodists would have been in excess of \$170 per member.

When we look at our totals and survey our total achievements we are inclined to be proud, but when we compare our achievements with our potential, we need to pray God's forgiveness for our neglect and seek His guidance and power to lead us from our complacency.

YOUTH

For a number of years there has been a gradual but steady decline in the number of youth in our churches. This decline was checked about two years ago when a special Youth Emphasis was launched. This emphasis has continued until now we have a steady increase in our youth work. The effective work of our Executive Secretary of the Board of Education has been a major factor in the improved work of our Youth Department.

The summer camping program of the Oregon Conference is rated by those who know as one of the best in the nation. An effective camp program plus a growing efficiency in our local church youth program should mean that in the years ahead when there will be a greatly increased number of youth in every community, we should have great days ahead for our Methodist youth program.

METHODIST MEN

Organized and chartered Methodist Men's clubs are comparatively new in the Oregon Conference. The number of chartered clubs is increasing rapidly. We have already more than attained the quadrennial goal of new clubs. In spite of the increase in the number of clubs we still lack a vital men's program in many of our churches. Our goal should now be to help our Methodist Men's clubs to become more effective as a strong arm of the church in extending the Kingdom.

METHODIST WOMEN

Many small Methodist churches in Oregon owe their very life and continued

ADULT WORK REPORT

A special study committee of the Board of Education will survey the whole structure of Adult work in our Conference and recommend action this year. Particular emphasis must be given to the gap in older youth-young adults, and in the relationship of this program to the program of family life. With an adequate staff, the Board projects the development of a conference council of Young Adults, an interchange of information through mailings, the development of regional meetings (perhaps Sub-district) of Young Adults; the repetition of this year's Older adult meetings.

The Board of Education recommends that S. Raynor Smith be appointed as Conference Director of Older Adult Work.

LEADERSHIP EDUCATION REPORT

In attempting to meet the great need for training local church teachers and officers, we have set something of a record for varied and significant experiences. Some 1100 persons attended the series of Coaching Conferences to be instructed in the use of their materials. 448 persons were enrolled in our own Methodist Leadership Schools, and 137 persons were enrolled in Interdenominational Schools in which we cooperated. 85 persons attended Laboratory School, and an estimated 100 will be present at the Vacation Church School Training Institutes which are now underway. This totals well over 2000 persons who will have been touched by some kind of leadership education help this year. (This total does not include the conferences already mentioned under youth and adult work which would number some 1500 more!)

The Board of Education recommends to the Annual Conference that a concerted effort be made in the coming year to train lay people in local churches for their responsibilities, not only in education, but in all of the Commissions of the Church; and that the various Boards and agencies concerned combine their efforts to provide leaders to staff such schools on the Sub-district level.

REPORT OF THE AUDIO-VISUAL COMMITTEE

Growth in interest and use of Audio-Visual material by the local churches of the Conference has been amazing. 81 churches have now subscribed the \$10 fee to become part of the Audio-Visual Cooperative Fellowship which provides A. V. materials without charge to the local church. The income from this source has enabled the committee to provide over 200 pieces of material for circulation. About 50 of these are in use on an average day. Mrs. W. T. Frost, our A. V. Librarian handles the booking and mailing of these materials efficiently, and meets with the A. V. Committee quarterly as it previews materials for purchase and use.

REPORT OF THE CAMP COMMISSION

One area of the program of the Board of Education of which we are especially proud is the program of camping. Through the three committees of the Camp Commission—Camp Program, Camp Sites, and Camp Publicity—and through the local site committees, we have many people who are working in some phase of this program. You will be interested to know that since June 1954, some 4,708 persons have attended camp. We have come a long way toward seeing that camping is not just a summer matter, and not just for youth alone.

DEAD INDIAN SODA SPRINGS

This camp has already taken its place as one of our choice sites. Located in a mountain valley near Lakecreek, Oregon, it has two streams which flow through the grounds. Funds from the Forward Movement totalling \$9500 have helped purchase this camp. The last payment, due January 1, 1956 is already on hand. A great deal of work went into getting the camp ready for its first summer.

Future plans for the camp include expansion of housing facilities, finishing of the work on the swimming pool, providing adequate dining room space and facilities, and hiring of a caretaker who can insure adequate maintenance on the buildings so that year-round camping will be possible.

OREGON CONFERENCE BOARD OF EDUCATION THE DIVISION OF THE LOCAL CHURCH

Our best contact is our monthly NEWSLETTER which is designed to be informative, promotional, and suggestive of the things which might be attempted on the local level. NEWSLETTER is mailed to 6 persons in each local church whose names are supplied us each year.

The work of the Division of the Local Church is financed by the funds received from Rally Day Offerings. This has been our only source of income during the past year. As of April 15, the money received totalled \$2200, the largest amount that has ever been received. We feel that churches are beginning to be aware of the program of the Board of Education and that this increased support indicates their appreciation of the service it renders.

CHILDREN'S WORK REPORTS

Some 40 leaders taught sessions at the Coaching Conferences to preview the Methodist Literature, and children's departments were well attended in the various Leadership Schools. Teams of workers taught in 18 local churches this year, and our Director of Children's Work, Mrs. Sayre has visited innumerable churches through Oregon.

Last year 6,436 pupils attended Vacation Church Schools in the Oregon Conference. This was an increase of 1075 over 1953 and we are proud of the progress.

The program of the committee for the coming year includes the developing of Sub-District Children's Directors, experimentation with Observation Schools in key areas, increasing the number of accredited teachers in the field of children's work by expanding Lab School training, and promoting accredited Methodist Leadership Schools in as many Sub-districts as possible.

YOUTH WORK REPORT

SENIOR HIGH SCHOOL

Numerically, we have reached more youth this year than we have in many years. Youth camps increased. Over 400 youth attended the special Program Area Conferences during the winter and 550 youth came to the Spring District Conferences.

Immediate plans for the future call for a program which will meet the need for trained adult leaders to consolidate the gains which we have made on the youth level. In terms of program, this includes a major emphasis on training adult workers with youth; an increased emphasis on improving the program of the local Sub-district; two statewide meetings of youth and their leaders. To do this we will need to train many more instructors to give leadership to such a program.

JUNIOR HIGH WORK

The projected program in this area includes encouraging of Sub-district meetings of Junior Highs according to need; sponsoring a series of meetings on the Sub-district level to train workers with Junior Highs from local churches; and continued study and evaluation of the curriculum and experiences provided by our church for this age group.

OLDER YOUTH WORK

Almost nothing has been done to give guidance to the growing number of older youth groups that are emerging across the Conference. Their needs for inter-group fellowship and for adequate program resources and guidance in program building make it necessary that attention and emphasis be given this group in the coming year.

A study committee has been set up to survey our need and to guide us as to the type of program which would be most valuable.

The Board of Education recommends that Walter Warner be appointed as Volunteer Director of Junior High Work, and that the projected program in this field be carried out insofar as possible.

lack only a minor part of the requirements for accreditation, due partly to lack of adequate facilities in the churches to which they are related. Other MSM units are at Willamette and Pacific Universities, and First Methodist Church sponsors a group for students who are related to Portland State and Lewis and Clark, and the various nursing and professional schools in Portland, also Linfield College, McMinnville.

The most significant event of the past year has been the completion and dedication of the Wesley Foundation Building at University of Oregon. Money for its erection came from a previous campaign, and the project was completed with \$23,315 of Forward Movement Funds allocated to Board of Education use. This project was given top priority in all the planning for distribution of Forward Movement Funds given to Board of Education. The building is an outstanding piece of modern architecture, and is a worthy example of our concern for students. It represents an investment of \$80,000 and contains in addition to lounge, dining and recreational facilities, an exquisite chapel dedicated in honor of Dr. Charles G. Howard, Chairman of the U. of O. Wesley Foundation Corporation.

Forward Movement Funds in the amount of \$10,000 were allocated by the Board of Education to the Wesley Foundation at Oregon State for the expansion of First Church and Wesley Foundation.

COMMISSION ON CHRISTIAN VOCATIONS

The commission is in the process of accumulating records relative to the present recruitment in our Conference of personnel for full-time church-related work.

From this there is coming an effort to unify the Conference program in this very important area of Christian vocations. No definite plans, other than what has already been done in our Conference to promote interest in church-related vocations among youth and students, have been made for special Conference emphasis.

The commission now plans, on the basis of material gathered, to do the following:

1. At district and sub-district levels assign vocational counselors to provide guidance to youth indicating preference for church-related vocations.
2. Continually work to keep in touch with students on record and to keep our records up-to-date.
3. Make more definite plans to organize and activate local committees on Christian vocations. (*Discipline*, paragraph 246.4).
4. Further encourage local churches and pastors to regularly present the many opportunities of service through the church to young people and adults.

BOARD OF EVANGELISM REPORT

The World Council Assembly at Evanston proclaimed: "Evangelism is no specialized or separable or periodic activity, but is rather a dimension of the total activity of the Church . . . Evangelism is the place where the Church discovers itself in its true depth and outreach." Evangelism is the preaching of the Gospel of Jesus Christ and the securing of commitment to Him.

We recommend:

1. The entire program be undergirded with *prayer*—individual, family, cell groups, and participation in the Prayer Life Movement.
2. That emphasis be placed on personal work through a continuous program of visitation evangelism in every local church.
3. That the local church commissions on memberships and evangelism be strengthened by sub-district seminars with help from General Board representatives and District Secretaries of Evangelism. These seminars to be held in conjunction with other boards and commissions.
4. That greater stress be given to the assimilation of new members by:
 - a. Making their reception into the church more significant.

SUTTLE LAKE

With an original grant of Forward Movement Funds totalling \$1300, the wing for a resident caretaker was begun at Suttle Lake. This is an extension on the present lodge and makes it possible for us to maintain a year-round caretaker there.

The Executive Committee deemed it wise to begin to provide one section of the camp with permanent cabins for bad weather housing, and for family and laymen's groups. Individual churches have been invited to erect these according to the specifications laid out by the Executive Committee.

CAMP MAGRUDER

A great number of building improvements have been made on buildings and equipment at Magruder. The completed boathouse-workshop has proved its usefulness both last summer and through the past winter.

Funds from private individuals and churches have made possible the proposed construction of three additional small sleeping cabins which should help relieve the overcrowding.

PEARL SHERLOCK MEMORIAL

After considerable investigation, the committee supervising this project is working on plans for a building to be erected in memory of Pearl Sherlock. The needs of the camp indicated that a building which could be used by the youth for crafts, assembly, and workshop would be the most useful, and the committee has felt that such a building would be in keeping with Pearl's own wishes. Funds have been given in the amount of \$641.85 by individuals and churches, and the Board of Education has allotted the sum of \$1,000 in Forward Movement Funds.

DIVISION OF EDUCATIONAL INSTITUTIONS**REPORT OF WILLAMETTE UNIVERSITY**

In Willamette's long history of service in Oregon, no year has been more significant than the present. The University inaugurated the Town and Country Church program as a service to the Oregon Conference. It is currently completing the erection of three new buildings which will enable Willamette to do its part in serving the growing educational needs by gradually increasing enrollment by 25 per cent to 1250 students.

The strong educational program of the University continues to command national recognition. During 1955-56, the second year of such studies, Willamette has been selected by the General Board of Education of the Methodist Church for their new program, Consultation on Religion in Higher Education. Thus Willamette will be one of two universities to have such a study during 1955-56. A team from the Methodist Board of Education will join with a committee of the college faculty to study and evaluate the nature and plan of the religious life of the campus.

The continued support of Oregon Methodism is a help in maintaining the strong position of Willamette as a vital force in Christian Education.

RECOMMENDATIONS:

That permission be granted to present Willamette in the churches of the Conference, and that to this end Sunday, November 13, 1955 be designated as Willamette Day, with permission to take the Willamette offering in as many churches as will cooperate;

And that the Oregon Conference recommend to the churches of the Conference that a sum for Willamette be included in the budget for benevolences wherever possible.

WESLEY FOUNDATIONS AND METHODIST STUDENT MOVEMENT

The term "Wesley Foundation" is applied to the units of the Methodist Student Movement on the campuses of state colleges and universities who have met certain minimum requirements of space, facilities, trained leadership, administrative organization, and sound finance. At the present time there are two fully accredited Wesley Foundations in the Conference—at the University of Oregon and Oregon State.

Two other units of the Methodist Student Movement are at Ashland (Southern Oregon College) and Monmouth (Oregon College of Education). These units

OREGON METHODIST CONFERENCE HISTORICAL SOCIETY

I. Our Objectives:

The Objectives of the Historical Society are two-fold:

1. The preservation of historical records.
2. The formulation of the story contained in these records in such manner as to be made available to interested readers.

In the preservation of historical records we have a three-fold approach:

- (a) Encouraging individual churches to preserve the records of Quarterly Conferences, and other official papers, including membership rolls and records of organizations within the church.
- (b) Gathering historical records that are no longer in use in the local church, or from the files of defunct institutions or organizations, or from whatever quarter they may be found, and putting them into the collection of the Oregon Methodist Conference Historical Society for safe keeping.
- (c) Securing photostatic copies of valuable documents which, for one reason or another, cannot be secured by our Society for our Historical Society files.

The formulation of this historical material takes several forms.

- (a) The writing of historical sketches of individual churches, together with a complete list of the Pastors of such churches from the beginning to the present.
- (b) The writing of similar sketches of the Educational and philanthropic institutions which our Conference has sponsored during the years.
- (c) Sketches of movements and causes such as Conference Claimants' support, the Temperance movement, Church-supported literature, such as the Christian Advocate.
- (d) A general History of Methodism in Oregon..

II. Our Accomplishments during the past year:

We have held two meetings during the year to plan our work, and discuss ways and means of accomplishing our objectives.

We have formulated and adopted a Constitution and By-laws according to the model for Methodist Historical Societies supplied by the Association of Methodist Historical Societies.

We have given assistance to a number of individual churches in their endeavor to formulate histories of their local churches.

We have written and presented to the Conference Historical library, papers on the following subjects: "The Mission Rose"—by Mrs. A. J. Owen; and "Who Saved Oregon for the United States?"—by T. D. Yarnes.

Also the first four chapters of the book, "The History of Methodism in Oregon have been completed, ready for the printer.

We have, already tabulated, a card-index record of the service rendered in the Oregon Conference, for every minister who has ever served in any capacity—not only Conference members, but Supply Pastors—from the organization of the Oregon and California Mission Conference to the present.

FORWARD MOVEMENT COMMITTEE

Bishop A. Raymond Grant, Chairman of the Forward Movement Committee of the Oregon Annual Conference, called a meeting of that committee at First Methodist Church in Portland on October 1st, 1954.

Several aspects of the Forward Movement were discussed, the most pressing being the fact that November 30, 1954, had been designated as the time when all pledges to the Forward Movement should be paid. Since only \$181,199 had been paid to date on a pledge of some \$380,000, two steps were taken.

1. The time of the payment of pledges was extended to May 31, 1955.
2. The responsibility for raising the rest of the money was placed on the District Superintendents and certain laymen of the Districts.

Following is the statement of the Forward Movement Fund to February 28, 1955.

METHODIST MEN'S HOUR

This radio program, presenting religious services emanating from the Highland Park Church of Dallas, Texas, has been made available by the General Board of Lay Activities and that church. It is now being carried by several radio stations in Oregon each week. Transcriptions are available for weekly running without cost by addressing a request to: The Methodist Men's Hour, 3300 Mockingbird Lane, Dallas, Texas.

SCHOOLS OF CHURCHMANSHIP

Acting upon the recommendation of the General Board, the Conference Board of Lay Activities urges that the Conference again undertake Schools of Churchmanship during the coming year. The Board is particularly interested in developing training sessions for church lay leaders, and for chairmen and/or members of commissions on finance.

ANNUAL CONFERENCE EVENTS

This Board was pleased to have a part in developing the first Conference Orientation Banquet held on the first evening of the 1954 Annual Conference, and plans to participate in this event at each subsequent Annual Conference.

SUMMARY

Comprehension of the many avenues for service available through Lay Activities makes one humble indeed and fully aware of the limitations of his ability and time to give full attention in all the directions worthy of effort. Indeed, this is a job that could not be done completely even if one could devote full time to it. I am grateful to the members of the Board who have worked tirelessly on behalf of Laymen's work in our great Conference and I know they share with me the fulfillment that comes from trying to do our Lord's work.

Respectfully submitted,
Howard B. Somers
Conference Lay Leader

ANNUAL REPORT EUGENE DISTRICT LAY LEADER

In August 1954, the first Laymen's Retreat was held at our new district camp site, Dead Indian Soda Springs near Medford featuring address by Dr. V. E. Andic and our Conference Lay Leader. Thorough discussions of problems facing the church in the district were participated in by laymen from all sections of the district.

Two new Methodist Men's Charters were presented during the year; one in First Church, Eugene and the other at Coquille.

Several rallies of Methodist Men were held in the district. Three were held in the Lane subdistrict with Lloyd DeLess as leader. One was held at Coquille with Bishop Grant speaking words of inspiration to laymen's work.

The Second Mile Club has been promoted in some of the churches in the district.

Rev. Meredith Groves

ANNUAL REPORT FOREST GROVE DISTRICT LAY LEADER

District meetings were held at the following places: two-day district retreat at Camp Magruder for training and inspiration of lay leaders and other laymen in August, 1954; evening meeting in Beaverton where we inspected and were served our dinner in the new and very fine educational unit in the month of November; and an evening meeting was held May 3, 1955 in the Newberg Methodist Church.

Two new Methodist Men's Clubs were chartered, one at Newberg, and one at Sherwood.

A layman attended most of the first quarterly conferences in our district to explain the fair and democratic process by which each church contributed its share toward financing the program of the Oregon Conference.

Several laymen assisted the District Superintendent in surveying our area for possible location of new churches and relocation of some existing churches.

It has been a high privilege for me to do what I could in furthering the work of the church in the Forest Grove District.

Tom Hilson

We have a partially completed list of the Pastors and District Superintendents who have served that has ever appeared on the list of appointments in the Oregon Conference.

We have acquired a number of valuable books for the Historical Library, including a beautifully hand-written Journal of the Columbia Conference of the Methodist Episcopal Church, South; a beautifully bound set of John Wesley's Sermons.

We Solicit the Help of the Pastors and Churches of the Conference in furthering the work of our Society:

- (a) By sending in the information requested in the circular letter recently sent to each church.
- (b) By furnishing whatever materials they have in their possession that they are willing to have placed in the permanent Historical Library of the Oregon Conference.
- (c) We also solicit interested members for the Society.

In furthering our work we are also making a request to the Commission on World Service and Finance for a subsidy of \$50.00 for the work of the Society for the coming year.

Respectfully submitted,
Thomas D. Yarnes
President

INTERBOARD COUNCIL

The Interboard Council recommends that the Annual Conference set up a Study Commission to study matters of efficiency and economy in our present conference structure.

We further recommend that this commission, to be set up by the Nominating Committee, should include the Bishop plus representatives from the District Superintendents, the Interboard Council, and the World Service and Finance Commission. Care should be taken to include laymen as well as ministers. Our recommendation is that the group named be small but that they be given authority to call in others as they see the need.

We further recommend that the Study Commission be requested to report to the Interboard Council during the year and that the Interboard Council be given power to act on their recommendations in order that recommended changes may go into effect as Conference boards, commissions, and committees are being set up for the next Quadrennium.

Dan Walker
Chairman of Interboard

BOARD OF LAY ACTIVITIES

It is urged that every church establish an active Stewardship Committee outside the framework of the four commissions so that committed persons may continue the work from month to month of inspiring laymen to embrace the Christian principle of tithing. Wide acceptance of tithing can enrich the lives of people far beyond anything they can imagine, and it can be one of the successful solutions in widening the field of Christian service.

THE SECOND MILE CLUB

This project, which is in its second year, has been one promoted by members of this Board and established as an all-Conference project for Methodist Men Clubs for the purpose of developing a special fund from which men assigned to serve pastorates in the new and growing communities in Oregon may derive partial support during the beginning two or three years of a new church's life. Members pledge to contribute one or more \$10.00 units annually.

METHODIST MEN'S CLUBS

Approximately 20 new charters will have been presented in Oregon Conference this year. It is of interest to note that the quadrennial goal of 62 chartered clubs will be reached within the next few months, approximately one year sooner than the General Conference goal had anticipated.

Summary:

Balance from previous year carried over	\$ 18.22
1954-55 Budget	675.00
Amount expended or to be expended as above	-430.41
Balance	\$ 262.81

NOTES:

It is the request of this Board that the balance on hand at the end of the Conference year be carried forward in addition to the budget asking. While some of the District Lay Leaders have not requested funds for reimbursement of expenses incurred since they felt they wished to make this as a part of their contribution, it is felt that the sums requested should be budgeted.

Respectfully submitted,
Howard B. Somers
Conference Lay Leader

ANNUAL REPORT SALEM DISTRICT 1954-55

The one project we in the Salem District have been promoting for the past 15 years with some degree of success and satisfaction is the annual Laymen's Summer Camp, held at Camp Magruder one year and at Suttle Lake the next.

Second Mile Clubs: At the Salem District planning meeting held January 9, 1955, we faced together the need to enlist 250 Second Mile Club members in our district.

Methodist Men's Clubs:

1. The men of Trinity Methodist Church (the new church at Four Corners, a Salem suburb) were assisted by your District Lay Leader to get organized. Presentation of their charter was made by former Conference Lay Leader Lloyd Gilson, March 27.

2. Toledo wrote for organizational material, and it is expected that a charter will be applied for this Conference year.

3. A visit was made to Corvallis to discuss with Dr. Herman Forslund, Lay Leader, the chartering of that church's strong men's group.

4.-5. Silverton and Sweet Home are also in line for charters.

Your district Lay Leader was called upon to fill the pulpit at Grande Ronde and at Willamina one Sunday during the minister's absence.

PORTLAND DISTRICT LAY LEADER REPORT FOR 1954-55

The year 1954-55 has been an interesting and busy one. Ten charters have been obtained and more are in process of organizing.

The year of Stewardship emphasis has been carried out.

I have conducted six Sunday morning services during the year and have visited 31 different churches and attended 86 meetings and the Interboard retreat at Barview.

The Portland Executive Council has been a strong force in bringing the men's groups together, sharing their problems and experiences thereby strengthening the weaker groups.

Visiting Fishermen Clubs helped two other churches assisting them.

The highlight of the year was the Portland Executive Council meeting with Bishop Charles Brashares of Chicago bringing the message.

I wish to thank all who have helped bring these results about, for their untiring efforts and devotion and a willingness to serve regardless of the personal cost.

BOARD OF MISSIONS

Conference Board of Missions. (The Board has recommended to the Conference Nominating Committee that the four District Missionary Secretaries be made full members of the Board. See Discipline, Para. 1295.)

The Board of National Missions at its recent annual meeting in Cincinnati, continued for another Conference year our asking for \$8900 pastoral maintenance. But along with this report comes insistence that pastoral subsidy be withdrawn from fields not responding to this assistance, and that the funds be invested in new, opportunity situations. If we fail to heed this mandate, our future requests will be denied.

The Conference Board also is under mandate next year to discontinue listing Pastoral Maintenance items on a District basis. Hereafter, askings must be submitted on a conference-wide priority basis. This same, new rule applies also in submitting applications for building loans and for donations for new buildings. Insofar as the New York and Philadelphia offices are concerned, our dealings with them in the future must be on a Conference basis.

Additional Pastoral Maintenance askings of the General Board include \$2100 for Indian work, \$700 for Negro work and \$5100 in a list of Town and Country, and City Specials.

for a \$14,000 loan.

From the Carrier revolving loan fund, the board authorized a loan of \$1200 to Garden Home church and \$3500 to Montavilla church. It approved a loan request by Dundee on the General Board of \$500; a request for a \$25,000 loan to refinance building obligations at Sweet Home, and these requests for building grants from the General Board: Trinity (Salem), \$3000; Nehalem, \$500; Sherwood, \$1000; Jefferson, \$1000; Wesley (Eugene), \$5000; Oakridge, \$3000; South Salem, \$5000; Cherry Blossom Park, \$5000; Tygh Valley, \$2500; Woodlawn (Portland), \$5000; Echo, \$1000; North Bend, \$2500.

The Board passed a motion "looking with favor" on the proposal to move the Independence Church to Monmouth, after hearing the report of the District Superintendent, and a review of comments by Dr. Middleton after he had visited both communities.

The Board voted to expand its policy covering the expenditure of Forward Movement funds to allow churches and individuals to designate their contributions to church extension for specific projects within the framework of the Conference program.

The Board requests that appropriate action be taken at this session of the Annual Conference encouraging the Churches to write the cause of Alaska Methodist College into their Church budgets as an Advance Special; and to underwrite \$500,000 of the \$2,500,000 need.

The Conference Board also recognizes with thanks, the \$5375 Pastoral Maintenance paid by the Portland City Church Extension Society through its District Advance program; and the financial support from the Second Mile Club of the Conference Board of Lay Activities.

This current Conference year, there was \$3000 in the Conference Benevolence Budget for Pastoral Maintenance in three opportunity situations: Oswego, \$900; Trinity (formerly Four Corners), Salem, \$900; Wesley, Eugene, \$1200. To meet, in part, the challenge which the Oregon Annual Conference faces in this rapidly growing Commonwealth, the Board is asking for \$4900 Pastoral Maintenance for the new Conference year to be used as follows: Oswego, \$400; Trinity, Salem, \$900; Wesley, Eugene, \$1000; Vermont Hills, a new work on the Forest Grove district, \$500; Cave Junction, a new work on the Eugene district, \$1200; and Cherry Blossom Park, a new work on the Portland district, \$900.

All Forward Movement funds are going directly to the fields 100 percent. Nothing is being retained from the receipts for Board expenses. In fact, the Board Treasurer keeps Forward Movement funds in a savings account, rather than a checking account, resulting in considerable interest having been earned between the time the churches remit and the time another Forward Movement Project is authorized. In the two years that Forward Movement funds have been available, these expenditures have been authorized by the Board:

Eugene District—Wesley church (Eugene), \$10,880 (property). Oakridge, \$10,000 (toward cost of \$30,000 Sunday school annex, first unit in a new church plant). Dillard, \$10,000 (new church).

Forest Grove District—Beaverton, \$10,000 (Sunday School building, first unit of new church plant). Garden Home, \$1000 (purchase of adjoining land and residence as location for new edifice). Capitol Hill, \$2500 (new location). Approved for future payment: Tigard, \$5000 (new church at new location). Oswego, \$1500 (toward purchase new site). Vermont Hills, \$4000 (purchase site for new church to be started shortly after conference).

Portland District—Parkrose Heights, \$12,000 (erection of chapel. This building is already overcrowded and members have started annex as large as original plant). Lents, \$15,000 (new church, to be occupied in July). Approved for future payment: Cherry Blossom Park, \$8000 (for site in process of being acquired). Tygh Valley, approved as Forward Movement project, but no allocation voted.

Salem District—Trinity, Salem, \$20,000 (purchase of two adjoining half-acre tracts and two houses and grant toward construction costs of new church). Lyons, \$500 (toward construction cost of edifice to replace sanctuary destroyed by fire). South Salem, \$4000 (new building). West Salem, \$5000 (educational annex).

On the date of this report, the Board had received \$115,000 in Forward Movement funds from the Annual Conference Treasurer.

The District Superintendents serve as the executive officers of the Board in their respective districts to see that the funds are expended in harmony with Board action. In addition, the Board Chairman has appeared in 12 pulpits and has visited these 24 fields this Conference year: Eugene district, Medford, Dillard, Roseburg, Oakridge, Wesley (Eugene). Salem district, Jefferson, South Salem, Monmouth, Independence, Silverton, Lyons, Sweet Home, Trinity (Salem). Forest Grove district, Garden Home, Molalla, Beaverton, Capitol Hill, Oswego. Portland district, Patton-Central, Lents, Montavilla, Parkrose Heights, Cherry Blossom Park, Hughes Memorial.

The Chairman also accompanied Dr. W. Vernon Middleton of Philadelphia, executive secretary of the Church Extension Section of the Board of National Missions, on a survey of the church extension opportunities facing this Conference.

The Conference will be pleased to know that the building grant of \$15,000 made by the Board, in harmony with the action of the 1954 Conference, has made it possible to save the Lents church. The situation remained serious for about 90 days after conference. But the tide has turned. The membership has increased, attendance at both church and Sunday school is larger, and the new church at the new and more desirable location will be ready for use by July.

The Board also recognizes with thanks the hearty cooperation received from the Conference Woman's Society of Christian Service in a one-year loan of some of its funds so that the Board might act on the request from the Roseburg church

tioning so that it can be explained and give an optimistic voice so that the church will accept and pay the askings.

- (b) Week of Dedication offers an opportunity for deepening the spiritual life and giving to projects that are pressing for which there is no support, e.g. it promotes the crusade scholarship plan.
- (c) Advance Specials are divided into General and Conference Initiated Specials. General Advance Specials are divided into World and National. We urge each church to adopt a General Advance Special. The Methodist College in Alaska should make a very special appeal. We recommend that each church take a generous Advance Special for the Alaska Methodist College to cover the next three-year period, reporting their action to the District Superintendent at the coming first Quarterly Conference and also to the Conference Board of Missions, that the response may be published.
- (d) Conference Initiated Advance Specials represent a need in our own Conference. As these are adopted by our Conference with our fast growing program of Church Extension we must have one in every local church.

Chairmen of the local Commission on Missions are being urged to attend our summer missionary conference at Asilomar. We should have several from each district.

The Annual Report blanks for the Commission on Missions should be made out in full and returned with your annual conference report so that we may have them tabulated and make the information available to you along with the statistics of our missionary giving.

The theme for our mission study next year will be "The Christian Mission in a Revolutionary World." This suggests the urgency of our task.

GOODWILL INDUSTRIES OF OREGON, INC.

The year 1954 witnessed an all-time high of service to 331 physically handicapped persons at the Goodwill Industries of Oregon. These fellow citizens, through personal determination and courage, and the skillful utilization of discards, earned while they learned \$246,391 in opportunity wages.

It was not a program of hand-out charity. It was, rather, an opportunity to travel the road of usefulness, recognition, and a purposeful place in society. These handicapped workers of Goodwill Industries returned to the federal and state governments \$31,580 in withholding and Social Security taxes. This is dramatic proof that the disabled can become tax payers instead of tax consumers.

The program of Goodwill Industries, begun in a Methodist chapel and nurtured by the Methodist Church, has won nation-wide approval. National awards from the President's Committee on Employment of the Physically Handicapped; Freedoms Foundation, and the American Public Relations Association testify to the accomplishments of this practical ministry.

It is its emphasis on chapel services, personal counselling, and Christian action that keeps it from being just another social agency.

The great increase in the number of physically handicapped demands expansion of Goodwill Industries service if this agency is to keep open the passageways of opportunity. It is therefore recommended that,

1. The churches of the conference be mindful of the increasing need of repairable and usable material necessary to keep a Goodwill Industries movement growing.
2. That the churches be the voice of Goodwill in their own locale, using every possible media to tell the story of this Methodist-related institution.
3. That the churches give support to the organization of Goodwill Industries branch operations in those areas under study and development such as the Eugene-Springfield area.
4. Remember Goodwill in your will; although Goodwill Industries has never made a request to the church for money it must have cash support for any capital expansion.

REPORT OF CONFERENCE MISSIONARY SECRETARY

The duty of your Conference and district missionary secretaries is to put into effect the Conference program of cultivation which has been adopted by the Conference Board of Missions. In the Oregon Conference we have endeavored to do this by:

- (a) Cooperating with the Joint Section of Education and Cultivation in spreading missionary information and developing the missionary spirit among the people.
- (b) Planning a District Missionary Institute or Sub-District Missionary Workshops on each district.
- (c) Planning a School of Missions in each church.
- (d) Arranging for the itineration of missionaries and visual aids among the churches.
- (e) Making use of the Annual Conference sessions for missionary education.
- (f) Organizing the Local Church Commission on Missions in each church.
- (g) Developing an effective program of missionary education in each church.
- (h) Distributing the study book, missionary tracts and literature.
- (i) Securing subscriptions for World Outlook.
- (j) Provide churches information about World Service and Advance Specials.
- (k) Promote Overseas Relief and the Week of Dedication.
- (l) Sending at least 5 ministers to the Missionary Conference each summer.
- (m) Proper Observance of the Centennial of Methodist Missions in India. In view of the fact that the centennial of Methodist missions in India will be observed throughout the world in 1956, we recommend that every church hold a special observance of the occasion. We recommend that churches that did not hold a School of Missions on India last year, use this opportunity to initiate a School of Missions in their church this coming year, using Dr. J. K. Mathews' new book, "Beyond the Himalayas," which has just come off the press.

As indicated in the Pre-Easter letter, we can be very proud of the response our churches made to the Bishop's Appeal for Korea. The Portland Area stood 12th in the entire church, having given \$51,240.99 and first in the Western Jurisdiction.

We would indicate several areas in which we are far from reaching the goal we might hope to attain:

- (a) There are still far too many churches in which the Commission on Missions is not functioning.
- (b) Too few of our churches have Advance Specials.
- (c) Too little attention is being given to Recruitment of young men and women for full time Christian service.

We feel that the time has come when every church should make a study of its missionary giving. Giving to be effective must be the result of knowledge based upon a spiritual experience. Giving for missionary personnel and projects should be a spiritual experience. Methodist per capita giving is low, but giving may be measured by understanding. Therefore, more and better education is required before there will be increased giving. There are four channels through which most of our Methodist missionary giving should flow:

- (a) World Service is basic. It is the support of 16 Methodist church-wide agencies. It is a must and the local Commission on Missions needs to be func-

4. That Congress be prevailed upon to increase free distribution of the vast surpluses of food in this country to the children and needy in this country and abroad.
5. We re-affirm Methodism's traditional stand in opposition to Universal Military Training by whatever name and commend continued study of the basis for such action.
6. In keeping with previous actions of this Conference and the General Conference of 1952, paragraph 2026 (9), we urge the trustees of Willamette University to eliminate the Air ROTC from their campus.
7. We urge that the Conference elected Trustees of Willamette University, along with the proposed Study Committee of the General Board of Education study the principle and effect of Air R.O.T.C. on the Willamette University Campus and that the Trustees report the findings to the next session of the Oregon Annual Conference in 1956.
8. We urge that the Secretary of the Board of World Peace remind local draft boards of paragraph 2020 (16), page 634 of the Discipline in regard to conscientious objectors to war from Methodist homes. Our full support should be extended to them as well as conscientious combatants.
9. We urge freer exchange of goods among all nations and lower tariffs between countries as important economic bases for true world peace.
10. Because the tremendous cost of armaments strangles constructive needs and because armaments strongly fan the fires of war we urge no stone be left unturned by our national leaders in seeking genuine disarmament.
11. We commend the United Nations program to help make atomic energy work for peace. The possibilities of the peacetime uses of atomic energy are dramatic and practically unlimited.
12. We urge that district workshops on some fundamental aspect of world peace be held this coming year in conjunction with the Boards of Temperance and Social and Economic Relations. Rev. Carl D. Soule, Field Secretary of the national Board of World Peace, with offices in Chicago, may be available to us for leadership during April, May or June 1956 for such workshops.
13. We wish to thank Rev. Carl McGee and the Interboard Council staff for their fine assistance throughout the year.
14. We recommend a return of our Governmental policy of Point IV Assistance to all peoples of the world to replace our present policy of technical assistance and military assistance to the commonly designated Western block.
15. We recommend that the Secretary of the Oregon Annual Conference send a copy of the report of World Peace to our Oregon delegation in Congress.

Respectfully Submitted,
Board of World Peace

COMMITTEE ON PERIODICALS AND PUBLICATIONS

The General Board of Missions has both free and inexpensive literature available to help us awaken the world-wide vision of our people to the truly challenging task and responsibility that lies open before us both at home and abroad.

The General Board of Lay Activities has inspiring pamphlets that will give new meaning to the word "stewardship." They are prepared to help you conduct an "every-member canvas."

The Methodist Publishing House is a dedicated servant of the total church. Give every one of these agencies your full support.

Here is where each is located:

General Board of Education, Box 871, Nashville, Tennessee
General Board of Missions, 150 Fifth Avenue, New York, New York
General Board of Evangelism, 1908 Grand Avenue, Nashville, Tennessee
General Board of Lay Activities, 740 Rush Street, Chicago, Illinois
The Methodist Publishing House (Cokesbury Book Store), 521 S. W. 11th, Portland 5, Oregon

VISITORS TO PACIFIC SCHOOL OF RELIGION

There is enrolled in the School at present 145 men and women training in religious work, most of these for the ministry. By far, the largest per cent of these are Methodist (52). The Board of Trustees of the school are $\frac{1}{2}$ Methodist and the faculty has a goodly number of Methodists.

To train one man for three years at Pacific School of Religion costs \$4500.00. Someone besides the student has to pay this expense. So the school seeks support from various sources. It seems we in Oregon cannot shun our responsibility any longer.

(*We recommend to the World Service and Finance Committee for their consideration the amount of \$1,000.00 to be sent annually to Pacific School of Religion as our Conference share in the support of this great training school for future ministers.

Respectfully submitted,
Wilmer A. Briggs
Lawrence Guderian
Robert Peters

BOARD OF WORLD PEACE

On the explosive Far Eastern situation General MacArthur commented January 26th as follows:

"Whatever betides, the ultimate fate of the Far East—and indeed of the world—will not be settled by force of arms. We may all be practically annihilated—but war can no longer be an arbiter of survival."

It has been said that Man's extremity is God's opportunity. Dr. Frank C. Laubach has written a book entitled "Wake Up or Blow Up." These words describe accurately the dilemma in which the world finds itself. There are those who hold that God is on the side of those with the largest military forces, but God has changed all that. Atomic weapons iron out the differences in numbers. There is no defense against an H-bomb, only retaliation. By the wildest stretch of the imagination no nation can picture itself as gaining by such a war.

In our own nation we are seeing our President not only advocating but carrying into effect a decrease in the size of military forces. We must carry this step further and see to it that the movement toward Universal Military Training is defeated.

Many people have been praying for a Department of Peace with a Secretary in the President's cabinet who will have the same status as the other secretaries, particularly the Secretary of Defense. President Eisenhower has appointed Harold Stassen, outstanding political and educational leader, a religious man, internationally known, to become a Secretary of Disarmament. Here in actuality is a Secretary of Peace for which we have been praying. For the first time in history an important country has appointed a major official to give his full time to work toward peace. It is a major miracle.

There is not one member of all our Methodist churches who cannot have a part in these miracles by making use daily, hourly, of the opportunities which are ours of calling upon God, the Father Almighty, to send down peace into a troubled world.

Let us in our extremity turn unto Him and call upon Him, praying that His will shall be done in our lives, in our Church, in our nation, and in the world.

RECOMMENDATIONS

1. We recommend the Nominating Committee of the Conference be requested to nominate Secretaries of World Peace.
2. We urge that each local church organize and activate a committee on world peace.
3. We suggest there be a study course on world peace in leadership schools and institutes.

BOARD OF SOCIAL AND ECONOMIC RELATIONS

The creation of this Board, following the action of the 1952 General Conference, has created a situation leading to overlapping and reduplication of effort. "Social and Economic Relations" cannot be divorced from the problems of world peace, civil rights, temperance, etc. We therefore respectfully request the Conference to instruct Bishop Grant to call a meeting of the Chairmen of the appropriate boards and committees for the purpose of developing a plan of reorganization as one board, with as many necessary subcommittees as may be desirable. This plan to be submitted for Conference action in 1956.

The Board calls to the attention of the Conference the action taken in 1953: "Be it resolved that the Oregon Annual Conference renew the invitation to the Japanese Methodist churches within our geographical limits to become members of this Conference . . . and be it further resolved that the Oregon Annual Conference memorialize the 1956 General Conference to urge the integration of racial churches into Annual Conferences and Jurisdictions with which they are geographically associated."

REPORT OF THE PUBLIC RELATIONS COMMITTEE

After two years of trying to get a meeting of minds on a publication, and failing to do so, we recommend that:

- (a) The nominating committee nominate a new committee of Conference Public Relations, and that it be subject to the same regulations set forth in 1954 minutes.
- (b) That the first named committee member be the Chairman for purposes of convening said committee.
- (c) That said committee meet before January 1956.

BOARD OF TRUSTEES

Title to various parcels of property located in the Conference and belonging to the conference under the Discipline and the laws of the State of Oregon are vested in the corporation known as the Oregon Annual Conference of the Methodist Church and are held under and by virtue of the direction of the Conference Trustees.

At the present time this property consists of the camp site located at Camp Magruder, Oregon, which we own in fee simple along with the equipment. We have also entered into contracts with the Government for the right of possession at Suttle Lake and also at Dead Indian Camp. The personal property, buildings and equipment at Dead Indian Camp have been paid for except the last payment of \$1,500.00 and there are sufficient funds on hand to make this payment as soon as the same is due.

The Bishop's Residence was sold for \$23,500.00. After the mortgage, commission and the costs in connection with the sale were paid, it left a balance of \$11,094.31 and then this sum was repaid to the conferences who paid it in accordance with the percentages paid in by each of the conferences as follows:

Oregon Annual Conference, 33%.....	\$3,661.12
Pacific Northwest Conference, 49%	5,436.21
Idaho Conference, 18%	1,996.98

The amount held for and on behalf of the Oregon Annual Conference is being held until further action of the Conference.

There is also \$12,000.00 trust fund which has been loaned out on interest and which was left to Camp Magruder by the last will and testament of Dr. Magruder to enable youth to attend camp programs without assistance.

The church at Brownsville, Oregon, was finally sold and we received a net of \$1,029.80. This money was paid over to the Division of General Missions of the Board of Missions of the Methodist Church who held a mortgage on the property.

The Board also calls to the attention of the Conference the existence of a church in our own Conference, and another within our geographical limits that appear to be based on the principle of segregation. We submit that such a situation is not only directly contrary to the spirit of the Supreme Court's order for integration in the public schools, but is an affront to the Gospel.

Respectfully submitted,
Raymond E. Balcomb

BOARD OF TEMPERANCE

In looking back across the Conference year 1954-55 we have accomplished some heartening advances in our program of Temperance. The District Secretaries of Oregon Conference or a representative attended a School of Alcohol Studies in Reno recently. The Board of Temperance of Oregon Conference is cooperating with the General Board of Temperance in the production of a Temperance Picture beamed especially at youth, young adults, and the family which from all reports will be "tops." At the present time the four District Secretaries are contacting key laymen in their districts to raise \$2,000.00, our share toward this picture in color and sound for general distribution across the church.

We recommend for Conference action that each pastor and local church study its responsibility in the field of Temperance carefully, and select laymen committed to the Temperance cause, and at the Quarterly Conference elect a Temperance Committee in accordance with the 1952 Discipline Par. 246 (5).

We further recommend that each church provide at least one subscription to THE VOICE for this committee which will provide guidance in its work and that each committee familiarize itself with the resource materials of the General Board of Temperance.

We recommend that every local church advance the General Board's "FOUR FOLD PROGRAM" of Education, Commitment, Rehabilitation, and Legislation.

We recommend that each local church make a special study of the effects of Alcohol and that such an educational approach shall culminate with Commitment Day.

We recommend that the Board of Education use the District Secretaries of Temperance in conferences and camps to enlighten our membership, especially youth, in this field and cooperate with the Board of Temperance in sending youth representatives to Schools of Alcohol Studies.

We nominate the following representatives on the Board of Directors of The Oregon Temperance League: Albert E. Place, Howard Somers, J. Palmer Sorlein, George Roseberry, and M. A. Marcy.

We recommend that we work to send delegates to the School of Alcohol November 9, 10, and 11 to be held in the Pacific Northwest.

We recognize the Oregon Temperance League as the official representative of Methodism in its interdenominational efforts to present a united front in opposition to the promotion and sale of intoxicating beverages. We recommend that our churches open their pulpits to representatives of the Oregon Temperance League.

Respectfully submitted,
Albert E. Place

COMMISSION ON WORLD SERVICE AND FINANCE

In the preparation of this report your Commission on World Service and Finance has tried to keep in mind the ever increasing needs of the local church. The experiences of the past years have proven that five thousand dollars will open a new Methodist church in strategic centers.

A. GENERAL ITEMS

1. The report of the Commission as amended and passed shall be printed in the Conference Journal as the action of the Conference.

2. The 1954-55 total conference budget was an increase of 12% over the 1953-54 budget; our final figures show that the recommended 1955-56 total conference budget is the same percentage of increase. In arriving at this total budget we have evaluated each asking separately and individually; in some instances the recommendation is above the asking, in others we recommend the asking, in some it has been reduced, and in still others the asking has been deleted.

3. All persons handling Annual Conference funds are covered by a Blanket

C. OTHER ITEMS

1. To pay the Conference Claimants an annuity rate of \$39 and to provide emergency relief for Conference Claimants requires approximately \$110,654. \$62,561 of this will come from the charges, apportioned solely on the grade figure, which together with the receipts from the Methodist Publishing House, the Board of Pensions and the Chartered Fund, and the accrued interest on Conference funds, will provide income sufficient to meet this annuity rate. An additional \$10,000 to be applied to the Reserve Pension Fund is to be apportioned to the charges solely on the grade figure; this \$10,000 and the above \$62,561 shall be apportioned to the charges as one item.

2. The total amount necessary to maintain the minimum ministerial support schedule is provided by an amount of \$14,000 to be apportioned to the charges solely on the grade figure, plus the current balance of \$3,386, plus an amount obtained by a voluntary sharing by the ministers.

3. (See Conference Rule 27, Sec. 3.) The Conference Committee on Minimum Ministerial Support shall administer the minimum ministerial support plan and shall be responsible for the collection and distribution of the fund. (Para 826 of 1952 Discipline)

COMMISSION ON WORLD SERVICE AND FINANCE

Raymond, L. Miller, Chairman

We have audited the books and records of your Conference Treasurer, Mr. Ernest Purvance, and those kept by Mr. Henry L. German for the Board of Trustees of Conference Claimants' Permanent Fund for the fiscal year ended May 31, 1954. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other procedures as we considered necessary in the circumstances. In our opinion the reports of Mr. Ernest Purvance and Mr. Henry L. German properly show your operations (on a cash basis) for the fiscal year ended May 31, 1954, and your cash and security position at that date.

We have also examined the records kept for the following funds, finding them properly kept and in good order:

Portland District promotion fund
Salem District Promotion fund
Board of Evangelism
Travel Fund

societies: Fort Klamath, Creswell, Coburg, Banks Community, Ebenezer, Marquam, Tangent, Willamina, and Patton-Central, Portland.

Study continues to be the major emphasis on our program. This year our four regular studies have been: (1) India, Pakistan, and Ceylon (Foreign Mission Study); (2) The City (Home Mission Study)—these two are interdenominational studies; (3) Jesus' Teachings Concerning Women (Spiritual Life); (4) Christianity and Wealth (Christian Social Relations). Teachers are prepared by attending Jurisdiction Summer School. Twelve from our conference attended this school in Salt Lake City last June. They in turn taught in our Conference School of Missions at Camp Magruder July 11-16 where 145 women were in attendance and prepared themselves to teach the courses in local church societies. Further preparation for teaching was given in the Fall Seminars conducted—four in each of the four districts—or a total of 16 seminars. The result has been to date 181 classes using the approved studies, of which 66 have met the requirements for Jurisdiction recognition. Enrolled in these classes have been 3,381 women. To extend further the number and quality of our study courses and to train leaders in all phases of our program two Summer Schools are planned for this summer, one at Camp Magruder, July 10-15, and a second one at Ashland, Southern Oregon College Campus, July 18-22.

A movement has been launched to erect a sizeable workshop and assembly building at Magruder in her honor.

Truly she gave so much of herself in devotion and service to enable youth and adults alike to have the counsel, inspiration and dedication to service that our Oregon camps provide.

Conference Grade Figures

The grade figure is a proportion expressed in decimals of the financial ability of a church to the financial ability of the Conference. It is based two-eighths on membership, three-eighths on ministerial salaries, and three-eighths on current expense.

The grade figures are computed near the close of one conference year to apply to the following conference year. They are computed by using the averages of three years, the years being those three immediately preceding the year in which the figuring is done and which are then published in the Conference Journal.

For the purpose of brevity, and to allow a small margin of safety against deficits, the conference averaged totals do not include fractions of thousands of dollars.

The formula for the part of the figure based on membership can be expressed by $m/M \times 2/8$. The membership figure is found in Column 11 of the Conference Journal.

The salary item is $s/S \times 3/8$. The salary figures are found in column 47c of the Conference Journal.

The expense item can be expressed as $e/E \times 3/8$. The items included under expense are taken from columns 44, 45, 48, 57c, and 63 of the Journal.

The total of the three above computations is a grade figure.

TOTAL FOR THE FOUR DISTRICTS1.005536

Conference Grade Figures

The grade figure is a proportion expressed in decimals of the financial ability of a church to the financial ability of the Conference. It is based two-eighths on membership, three-eighths on ministerial salaries, and three-eighths on current expense.

The grade figures are computed near the close of one conference year to apply to the following conference year. They are computed by using the averages of three years, the years being those three immediately preceding the year in which the figuring is done and which are then published in the Conference Journal.

For the purpose of brevity, and to allow a small margin of safety against deficits, the conference averaged totals do not include fractions of thousands of dollars.

The formula for the part of the figure based on membership can be expressed by $m/M \times 2/8$. The membership figure is found in Column 11 of the Conference Journal.

The salary item is $s/S \times 3/8$. The salary figures are found in column 47c of the Conference Journal.

The expense item can be expressed as $e/E \times 3/8$. The items included under expense are taken from columns 44, 45, 48, 57c, and 63 of the Journal.

The total of the three above computations is a grade figure.
